"HOC SIGNO FORTUNA."

BALTIMORE, FRIDAY, APRIL 24th, 1818.

MEDICAL COLLEGE LOTTERY.

The state of this interesting Lottery will be found on our third page.—Eight drawings are already over, and in this short time, the wheel has gained upwards of **TEN THOUSAND DOL- LARS**—the capital prizes are still undrawn—the 30,000—20,000—2 of 10,000—2 of 5,000 &c.—the highest prize yet drawn is one of **Five thousand dollars**, and was sold at COHEN'S OFFICE, and where the CASH can be had for all prizes sold, at a moment's notice—Medical Tickets are becoming scarce and persons not yet supplied, should bear in mind that the renewals of small prizes now rapidly investing, will take the greater part of the few remaining on hand. On the 15th drawing the first No. will be entitled to **FIVE THOU- SAND**, and on the 20th the first drawn No. will receive, agreeably to the scheme **TEN THOU- SAND DOLLARS**—present price of Tickets, **Fifteen dollars**, and shares in the same proportion, all warranted undrawn.

GEORGE WASHINGTON CAMPBELL, a Senator in Congress from Tennessee, has been appointed by the President, with the approbation of the Senate, to be Envoy Extraordinary and Minister Plenipotentiary to the Court of RUSSIA, in the room of Mr. PINKNEY who is about to return to the United States.

PHILADELPHIA, April 20th.

BANK OF THE UNITED STATES.

A situation for erecting a building for transacting the business of this institution, has at length,

been fixed upon, and actually purchased. It consists of those handsome lots commencing with Mr. Joseph P. Norris's property, on the South side of Chesnut street, extending Easterly and including Mr. Thompson's House, and Southerly to Library street. This beautiful and spacious plat we understand has been purchased at about an average of 1000 dollars per foot.

Two men supposed to be the persons who lately robbed the Pittsburg Bank, were yesterday brought to this city, in irons, and under a strong escort, and committed to prison to meet their trial. One would suppose that if any thing could check the growing spirit of depredation, the certainty of punishment, ought to have that effect. In almost every instance, even the most ably contrived robberies have shortly been discovered, and their perpetrators overtaken by the hand of the law.

UNIVERSITY OF MARYLAND.

At a publick commencement, held in the Chemical Hall of the University, the degree of Doctor of Physic was conferred on the following gentlemen, after they had defended their respective dissertations.

WASHINGTON CITY, April 21.

The Congress of the United States finished its sittings last evening.

The session has terminated harmoniously, and the members have separated, with the consciousness of having generally devoted themselves to their publick duties in an exemplary manner, and entertaining towards each other reciprocal feelings of respect and good will.

Bank of the United States.—Previous to the adjournment of Congress, Mr. H. Nelson, from the Committee on the judiciary, having reported, without amendment, the bill from the Senate to authorise the Bank of the United States to appoint a Vice-President, &c.

A motion was made by Mr. Moore to strike out the first section of the bill.

Whereupon, Mr. Poindexter moved to postpone the bill indefinitely.

The question being taking on the indefinite postponement of the bill was decided as follows: Yeas, 85—Noes, 50. So the Bill was rejected.
